Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Earlier today, the undersigned discovered that the papers filed in this application on August 23, 2004 had not been recorded on PAIR. The undersigned telephoned the Examiner to determine if the papers had in fact been received. The Examiner indicated that they are not reflected in his records and asked that they be re-submitted.

Accordingly, duplicate copies of the papers filed on August 23, 2004 are being submitted herewith. As shown by Exhibit A, the USPTO mailroom returned the stamped return receipt postcard confirming that the USPTO received the originals of these documents on August 26, 2004.

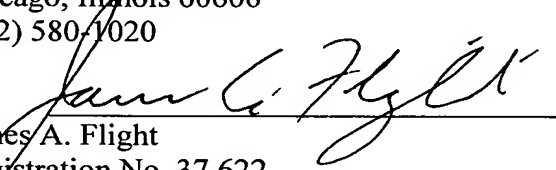

The substitute declaration which was hand delivered to the Examiner on September 17, 2004 is also not identified on the PAIR system. Accordingly, a duplicate copy of that document and the return receipt postcard is also enclosed as Exhibit B.

It is noted that the law firm of Grossman & Flight, LLC changed its name to Hanley, Flight and Zimmerman, LLC last November. The customer number of the firm and the physical mailing address remains unchanged.

The Office is respectfully requested to act on this case in an expedited manner in view of the delay occasioned by the USPTO's apparent mislaying of the papers submitted last August.

Respectfully submitted,

HANLEY, FLIGHT, & ZIMMERMAN, LLC.
